

Foundation | Comprehensive training for
NEW DOCTORS

ABOUT

Academy of Medical Royal Colleges

Established in 1974 as the Conference of Medical Royal Colleges, renamed as The Academy of Medical Royal Colleges (the Academy) it is the membership body for UK and Ireland's 24 medical royal colleges. It even has a separate Scottish organization: The Academy of Medical Royal Colleges and Faculties in Scotland. The academy comprises highly skilled and well-connected policy advisors and the organization collaborates with organizations like the National health service, and the General Medical Council and the organization jointly is administered by the Royal Colleges of Physicians and of General Practitioners. The prime aim is to shape healthcare and enhance clinical quality, public health, and the education and training of doctors.

ABOUT

Health Education England
